Gladiolus Bulbs

We are offering Gladiolus Bulbs to florists that, for quality and price, have no competition. Our Gladiolus Bulbs are strictly up to size and guaranteed. We furnish the planting stock. Our bulbs are all grown from young bulbs and are not to be compared to old flowering bulbs. Our bulbs are in our possession, properly stored, with the best facilities to insure proper curing, which is the essential part of handling Gladiolus Bulbs before planting. We hope, if you are a buyer of Gladiolus Bulbs, that you will send us your order.

Those Gladioli you sent us were all fine bloomers and good colors. Every bulb bloomed (in the greenhouse), even the smallest bulbs. They were extra good in color.

I received your Gigs and they opened up very fine--bulbs up to size. Your 7 to 9 are larger than some 8 to 10 I received from others. You can duplicate my Lily order for next year, also Paper Whites and Dutch Bulbs.
